

ABOUT COMMON GROUND

What could be more important at a party or gathering than discovering a way to unite people – having them engage and share in an experience that is the embodiment of pure joy. Shareable ground...common ground. This is the foundation from which the band Common Ground was built.

It takes time, natural ability, experience and an undeniable passion for music and entertainment to create memorable experiences for a wide variety of people and circumstances. Common Ground has been honing their talents for years – developing their unmistakable style and infusing every event with energy and fun. With a blend of vocal artistry and instrumental intensity, Common Ground brings true Vegas style to each performance.

With a repertoire that spans jazz, R&B, and an extensive range of high energy party tunes, Common Ground is THE Vegas band for those seeking to create an exciting and exceedingly memorable event. Professional, diverse, truly entertaining, fun and full of funk. Welcome to Common Ground!

WHY COMMON GROUND

From private parties, weddings, corporate events, conventions, formal dance functions, festivals and everything in between, Common Ground will deliver just the right mix of entertainment and energy to compliment any occasion. No one event is exactly like another – and that's why Common Ground will work with you to make sure they bring just the right balance and song selection for your venue or special occasion.
